

# Peace of Eden

EDEN VALLEY  
RIESLING

...

The peace and tranquillity of the cool climate Eden Valley is ideally suited to yielding the clean, pure flavours of Riesling. Our approach of minimal intervention enables the true characteristics of each vintage and the vines to speak for itself.

MINIMAL INTERVENTION

VINTAGE 2021

## WINEMAKING

.....

The 2021 growing season in Eden Valley was challenging, but the quality remained exceptional considering the warmer summer, lower rainfall and lower yields. Wines made from the region, and in particular the Riesling variety, showed delicate floral aromas as well as good natural acidity. Riesling was again the standout variety and has proven how hardy and tolerant it is to all conditions.

The 2021 Peace of Eden is a blend of our Eden Valley vineyards - the Zander 'Quarry Block' harvested on the 23<sup>rd</sup> of February, and Michael Masons Moorooloo Road Block picked on the 4<sup>th</sup> of March.

The grapes are harvested and delivered directly to our Barossa site. The fruit is processed immediately. It is important to avoid extended skin contact to preserve colour and primary fruits characteristics. The Riesling juice is fermented in stainless steel tank at cool controlled temperatures to retain the delicate aromatics, freshness and juicy acidity. The final blend consists of some pressings material to add vibrancy and texture.

## TASTING NOTES:

.....

**Colour:** Pale gold with green hues.

**Aroma:** Fresh with subtle characters of lime, lemon curd and bath salts.

**Palate:** Elegant and defined. Soft minerality with licks of stone fruit and citrus.

**Food Match:** Crispy fish tacos, or soft shell crab.

**Cellaring:** Perfect for drinking now, or cellar for 5 – 10 years.

## ANALYTICS:

.....

**Alcohol:** 11.0%

**pH:** 3.08

**Acidity:** 6.5 g/L

**Sugar:** 1.0g/L (dry)
